**Chartifacts!**

**SINGLES** – No change at the top with **Kylie** claiming the # 1 position for the 3<sup>rd</sup> consecutive week. **Afroman** came close, debuting at # 2 with **Because I Got High**. This pushes **Bob The Builder** back to # 3 while **Let Me Blow Your Mind** by **Eve** moves up 3 spots to # 4.

**No. 2 BECAUSE I GOT HIGH – Afroman.** **Afroman**, aka **Joseph Foreman**, had a huge hit in the US with this party anthem, taken from his debut album **The Good Times**. Based in Hattiesburg, **Afroman** started off his musical career mixing tapes in his garage.

**No. 21 ANDROGYNY – Garbage.** Taken from the upcoming album **Beautiful Garbage**, **Androgyny** is the first single from the band in almost 2 years. Their last single, **You Look So Fine** just failed to make it into the Top 100 while the one previous, **When I Grow Up** was their biggest hit, peaking at # 22 on the ARIAnet singles chart. That is until now, with **Androgyny** debuting at # 21 (# 2 on the ARIAnet Alternative singles chart).

**No. 36 NOT SUCH AN INNOCENT GIRL – Victoria Beckham.** The last of the ex spice girls to launch her solo career, **Victoria Beckham** follows in the footsteps of **Geri Halliwell**, **Mel C**, **Mel B** and **Emma Bunton** with this, her debut single. Taken from her upcoming self-titled album, **Not Such An Innocent Girl** debuted in the UK at # 6.

**No. 39 19-2000 – Gorillaz.** Peaking at # 6 in the UK, this is the second single to be lifted from **Gorillaz** debut album, following **Clint Eastwood** which peaked at # 17 on the ARIAnet singles chart. **19-2000** features additional vocals from **Miho Hatori** and **Tina Weymouth**.

**No. 40 MISS CALIFORNIA – Dante Thomas.** Taken from his debut album **Fly**, **Miss California** is the first single from Utah born R&B crooner **Dante Thomas**. **Dante** was discovered by **Pras**, who immediately signed him to his Rat Pack Label on hearing him perform.

**No. 55 ETERNAL FLAME / RIGHT NOW – Atomic Kitten.** This double A side release follows the smash hit **Whole Again** (# 2 on the ARIAnet albums chart) and **Right Now**, originally released last year and reaching # 72 on the ARIAnet singles chart. **Eternal Flame** was originally a hit for **The Bangles** peaking at # 1 on the ARIAnet singles chart back in 1989.

**No. 59 FIRST DATE – Blink 182.** The second single to be lifted from **Take Off Your Pants And Jacket**, follows **The Rock Show**, which peaked at # 34 on the ARIAnet singles chart in July. With **First Date**, **Blink 182** delivers yet another catchy punk rock tune, so indicative of their previous releases.

**ALBUMS** - Retaining the top spot for the second consecutive week is **Live's** brand new album **V**. **Bridget Jones's Diary** remains at # 2 while **Macy Gray** also holds firm at # 3. **Nelly** continues his meteoric rise up the charts jumping a further 4 places to # 4 with **Country Grammar**.

**No. 41 WHEN YOUNG TERRORISTS CHASE THE SUN – Gerling.** The release date of this latest album from **Gerling** was delayed due to the tragic events in America on the 11<sup>th</sup> of September. Now the wait is over for the bands first album in 3 years. Their last album, **Children Of the Telepathic Experience**, peaked at # 21 on the ARIAnet alternative albums chart back in 1999 while their debut, **A Day Of Research** peaked at # 13 on the ARIAnet alternative albums chart. This latest album features the single **Dust Me Select**, a hit on the ARIAnet dance singles chart at # 5.

**No. 48 THE FAST AND THE FURIOUS – Soundtrack.** This action packed car movie directed by **Rob Cohen** (**The Skulls**) and starring **Vin Diesel**, **Paul Walker** and **Michelle Rodriguez** demanded a high paced, hard hitting soundtrack to compliment this adrenaline fueled thriller. This is exactly what we get with this hip-hop dominated soundtrack. Featured is **Nate Dogg** performing with **Shade Sheist**, **Ja Rule** performing with **Tank** and **Lil' Mo** and **R. Kelly**. Also featured is **Limp Bizkit** with a version of **Rollin'** featuring **DMX**, **Redman** and **Method Man**.

**No. 96 ACOUSTIC SOUL – India Arie.** **Acoustic Soul** is the debut release from this 25-year-old Motown sensation **India Arie**. Born and raised in Denver, **India Arie** musical explorations begun at an early age as she experimented with sax, clarinet, french horn and trumpet, not to mention singing in the local choir. It wasn't until she picked up a guitar that her true talent emerged, her emphasis quickly changing to song writing.
